Kyle Bruxvoort

Director of Design Technology · Southwest Solutions Group · Bentonville, AR

RÉSUMÉ

I design the tools, then build them. Revit content systems, product ownership of Fetch, and R&D on AI and construction technology.

EXPERIENCE

Nov 2020 – now

Director of Design Technology

Southwest Solutions Group

Created and owns Fetch, the cloud Revit plugin and content platform. Leads the Revit family team, marketing, A&D, and AI R&D.

Nov 2014 – Oct 2020

BIM Manager & Project Planner

Southwest Solutions Group

Led the transition to BIM: Revit content across the product lines, standards, workflows and training. Fetch UX work began here.

Feb 2012 – Oct 2014

Estimator & Warehouse Manager

Artisent Floors

Priced flooring packages for large multifamily bids; ran inventory.
